Are you working on an outreach or engagement journal article, grant proposal, book chapter, thesis, dissertation, curriculum, or portfolio?

Would some quiet space and time away from your office help?

Join MSU on the first Friday of the month for **three hours of dedicated writing time to advance your community-engaged scholarship.**

Participants should plan to join online or in-person and write for the full amount of time. Write-ins start with goal-setting for the day and wrap up with a progress report and next steps.
